12th International Symposium of the Institute Network

Driving Next-Generation Medicine: the Spirit of Pioneering Discovery in Medical Science

November 28 (Tue) - 29 (Wed), 2017
Auditorium, Institute of Medical Science, The University of Tokyo (IMSUT)

Invited Speaker
James Di Santo [Professor / Institut Pasteur, France]
"Innate lymphoid cells: creating tissue-specific immune responses on demand"

Sessions
- Degenerative disorders
- Cancer development
- Inflammation and immunity
- Aging and cancer
- Molecular mechanisms and techniques

Association
- Institute for Genetic Medicine, Hokkaido University
- Institute of Development, Aging and Cancer, Tohoku University
- Institute of Medical Science, The University of Tokyo
- Medical Research Institute, Tokyo Medical and Dental University
- Cancer Research Institute of Kanazawa University
- Institute for Frontier Life and Medical Sciences, Kyoto University
- Institute for Protein Research, Osaka University
- Research Institute for Microbial Diseases, Osaka University
- Medical Institute of Bioregulation Kyushu University
- Institute of Advanced Medical Sciences, Tokushima University
