

International Conference on Strategic Alliances for Life Science in Asia-Pacific Rim

*Monday, March 20, 2006
Institute of Medical Science, The University of Tokyo, Hospital 8F (TOMY Hall)*

*Sponsored by
Division for International Relations, The University of Tokyo*

Program

09:00-09:30 Opening Session

09:00-09:10	From IMSUT	Tadashi Yamamoto (The University of Tokyo)
09:10-09:15	From Organizers	Mika Shozaki (The University of Tokyo)
09:15-09:30	Opening Remarks	Makoto Asashima (The University of Tokyo)

09:30-12:00 Morning Session

Building network of life science in Asia and the world

09:30-11:15 “Activities of Universities and Institutes”

Chair: Ken-ichi Arai

Regis B. Kelly (University of California San Francisco, USA)

Wanjin Hong (Institute of Molecular and Cell Biology, Singapore)

Jinuson Svasti (Mahidol University, Thailand)

Ishak Mat (Universiti Sains Malaysia, Malaysia)

Obaid Siddiqi (National Center for Biological Sciences, India)

Zu-xun Gong (Chinese Academy of Science, China)

11:15-12:00 “Activities of International Organization”

Chair: Tadashi Yamamoto

Jeongbin Yim (A-IMBN, Korea)

Kiyoshi Kita (The University of Tokyo)

Arturo Falaschi (ICGEB/A-IMBN, Italy)

12:00-12:50 Luncheon Mixer

Ken-ichi Arai (IUBMB EC, Founding President of A-IMBN)

13:00-15:10 Afternoon Session

13:00-14:30 “Common Agenda in Life Science and Biomedical Research”

Chair: Jeongbin Yim

Genome Science :

Sankgot Marzuki (Eijkman Institute for Molecular Biology, Indonesia)

Genome Science : Itsuro Inoue (The University of Tokyo)
Infectious Disease and Vaccines : Ronald R. Matias (United Laboratories Inc., Philippines)
System Biology & Medicine : Tatsuhiko Kodama (The University of Tokyo)
Oriental Medicine and Nutraceutical Research: Sunyoung Kim & KaRim Lee (Seoul National University)
Translational Research Platform : Tsuneo Takahashi (The University of Tokyo)

14:30-15:10 ***“Human resource training”***

Chair: Arturo Falaschi / Sumiko Watanabe

Peilei Fan (Institute of Advanced Studies, United Nations University)

Chong-Lek Koh (Nanyang Technological University, Singapore)

Duong Hoa Xo (Biotechnology Center of Ho Chi Minh City, Vietnam)

15:10-15:30 *Coffee Break*

15:30-17:40 *Afternoon Session*

15:30-16:30 ***“Development of bio and pharmaceutical industry”***

Chair: Ken-ichi Arai

Taka-aki Sato (Shimadzu Corporation)

Kenjiro Tominaga (TOMY SEIKO Co.,Ltd)

Katsuhiro Yamashita (TNP On The Road Corporation)

Yasuhiro Kubo (Softbank Investment Corporation)

Masayoshi Hayashi (Oriental Giken INC.)

16:30-17:40 ***“Discussions for Building Network in Asia and Pacific Rim”***

Chair: Arturo Falaschi

*A proposal How to Establish Strong Network

*Role of University of Tokyo in the Network

*Role of A-IMBN/eIMBL, EMBO, ICGEB, IAS-UN

*Role of Public institutions

*Role of Industry

17:40-17:45 *Concluding Remarks*

Ken-ichi Arai (Professor Emeritus, The University of Tokyo)

19:00-21:00 *Reception at Happa-en*
