

# Call for participants in English Seminar Series 2024

**Zoom & in person (@ IMSUT)**

Hosted by IMSUT International Joint Usage/Research Center Project

## Lecturer: Prof. Philip Hawke

Associate Professor, Scientific English Program, School of Pharmaceutical Sciences, University of Shizuoka

<https://w3pharm.u-shizuoka-ken.ac.jp/sci-eng/Philip%20Hawke%20CV.pdf>

## Outline:

In today's scientific world, effective English speaking and writing skills are essential for successfully communicating about one's research. Prof. Hawke, a specialist in the teaching of scientific English skills, will give detailed seminars intended for graduate students and young researchers who have limited experience communicating in English in scientific contexts. The program consists of lectures and group work (one theme per day for a total of three days). Please take advantage of this opportunity to improve your English skills.

Seminar Series Sessions		
<b>1<sup>st</sup>: Nov.7 (Thu)</b> <b>Online</b>	<b>2<sup>nd</sup>: Nov. 14 (Thu)</b> <b>In-person @ IMSUT</b>	<b>3<sup>rd</sup>: Nov.21 (Thu)</b> <b>Online</b>
<b>Presentations</b> <b>13:00 – 15:00</b>	<b>Oral Communication</b> 1) <b>10:30 – 12:30</b> Intermediate* 2) <b>14:00 – 16:00</b> Advanced*	<b>Writing</b> <b>13:00 – 15:00</b>

\*"Intermediate" level is aimed at those who have completed a typical undergraduate English education in Japan; "Advanced" level is aimed at those who have lived abroad or received additional English training. Please feel free to take whichever seminar seems most appropriate to you.

## Intended for:

Graduate students and researchers at IMSUT or other organizations associated with the IMSUT International Joint Research Project.

NOTE: Seminar materials cover basic to advanced issues, but are designed to be easily understood by participants of **all English skill levels**.

**Registration fee:** Free

**Application form:** <https://forms.office.com/r/TEP51vrHgB>

\*Receiving applications **until October 21<sup>st</sup> (Mon), 2024**

NOTE: Applications are accepted on a first-come, first-served basis. The application period may finish before October 21<sup>st</sup> (Mon) if the maximum number of participants is reached.
