

第20回生命医科学研究所ネットワーク国際シンポジウム

The 20<sup>th</sup> International Symposium of the Institute Network for Biomedical Sciences

# Uniting Biology, Virology and Immunology for Future Health Solutions

JSPS Core-to-Core Program Virology Symposium

**October 2-3, 2025**

Inamori Hall, Shiran Kaikan, Kyoto Univ.

<https://www.med.kyoto-u.ac.jp/facilities/shiran/>

**On-site only**

**Oct.2 14:40-15:20 Keynote Lecture1**

**Dr. Max J. Kellner**

(Junior Research Group Leader, Helmholtz Centre for Infection Research, Germany)

**Oct.2 15:30-16:10 Keynote Lecture2**

**Dr. Shimon Sakaguchi**

(Professor, Immunology Frontier Research Center, The University of Osaka, Japan)

**Oct.3 10:10-10:50 Keynote Lecture3**

**Dr. Leopold Parts** (Group Leader, Wellcome Sanger Institute, UK)

Full program is  
available. →

Pre-registration  
required. →

**Association:**

Institute for Genetic Medicine, Hokkaido University  
Institute of Development, Aging and Cancer, Tohoku University  
Institute for Molecular and Cellular Regulation, Gunma University  
The Institute of Medical Science, The University of Tokyo  
Institute for Integrated Research, Medical Research Laboratory, Institute of Science Tokyo  
Cancer Research Institute, Kanazawa University  
Institute for Life and Medical Sciences, Kyoto University  
Research Institute for Microbial Diseases, The University of Osaka  
Institute for Protein Research, The University of Osaka  
Institute of Advanced Medical Sciences, Tokushima University  
Medical Institute of Bioregulation, Kyushu University  
Institute of Molecular Embryology and Genetics, Kumamoto University

**Organized by**

LiMe, Kyoto University

**Co-organized by**

Joint Usage/Research Center Program for Transdisciplinary Collaboration on Viral Research,  
Stem Cell Science and System Biology

JSPS Core-to-Core Program (A. Advanced Research Networks)

Secretariat: **LiMe Kyoto University** 53 Shogoin Kawahara-cho, Sakyo-ku, Kyoto 606-8507 JAPAN
